# TRADING CARDS LIKE THESE ONLY COME ALONG ONCE EVERY FEW LIGHT YEARS.

Imagine warping across the universe exploring strange new worlds, confronting the likes of Klingons, Romulans, Talosians and Gorns.

Now there are trading cards that capture the whole experience. STAR TREK® 1991 25th Anniversary Trading Cards—the one and only collector's edition just in from the final frontier.

With brilliant color, you'll boldly go where no one has gone before. Through the voyages of James T. Kirk and Jean-Luc Picard. Into the technology behind the *Starship Enterprise*™. Face to face with new

civilizations. And behind the scenes of television's most celebrated space program.

Collect all 310 cards in two stellar series.

But fair warning, this is not an ongoing mission. This limited edition will only be on earth for a short time. So start collecting today.

Because it'll be a cold day on Vulcan before you ever get Klingons, Romulans and humans this close together again.
